

## Truman Joins Attack Against Senator Taft

### Questions His Ability As Military Man

Washington, Jan. 12.—(AP)—President Truman today joined in an administration attack on a Republican stalwart up for re-election this year: Senator Taft of Ohio.

Mr. Truman, commenting on Taft's demand for military aid to the Chinese Nationalists, questioned Taft's ability as a military expert. And a bit later, he indicated he is getting rosy political reports from Ohio, where Democrats are seeking to unseat Taft next year.

The amount of time devoted to Taft at Mr. Truman's news conference was greater than, for instance, the coal situation.

As for coal, the president said no national emergency exists at the present time. This means that, at least for the present, Mr. Truman doesn't intend to use the Taft-Hartley act in an attempt to get the miners back on a five-day week.

As for Taft—His name first came up when a reporter asked Mr. Truman about Taft's criticisms of the administration's policy in Formosa. The administration has refused to help the Chinese nationalists hold Formosa against the communists.

Well, said the president, Senator Taft is entitled to his own opinions. But, the president added in a wisecrack, he didn't know that Senator Taft was a military expert.

Report Satisfactory  
And a little later Mr. Truman was asked about a report made to him by democratic national Chairman William Boyle. This report dealt with politics in Ohio.

The report was very satisfactory—from a democratic standpoint, the president said.

Had Boyle predicted Taft's defeat? We didn't go into personalities, the president said.

Earlier today Secretary of State Acheson had fired the first barrel at Taft.

Without referring to Taft by name, Acheson said in a talk to the National Press club that a "distinguished statesman" had said that he had no doubt that some sincere aid to China sometime ago would have resulted in different conditions now, and no doubt that a small amount of aid now can "solve the problem in Formosa."

The secretary said he was reminded of a judge who said: "This court is often in error but never in doubt."

## Solons Urge U.S. To Abandon Silver Purchase Program

Washington, Jan. 12.—(AP)—Abandonment of the government's silver purchase program was recommended today by a congressional joint subcommittee, which described the program as a costly subsidy to silver producers.

But the chairman of the full joint committee on the economic report, Senator O'Mahoney (D-Wyo.), said he won't go along.

Another committee member, Senator Watkins (R-Utah), promised determined opposition.

Removal of the monetary market, Senator Watkins said, would seriously hurt the lead, zinc and copper mines, from which most domestic silver comes as a by-product.

Members of the subcommittee on monetary, credit and fiscal policies, all of whom endorsed the recommendation, are Senators Douglas (D-Ill.), Flanders (R-Vt.), Reps. Patman (D-Texas), Wolcott (R-Mich.) and Buchanan (D-Penn.).

Senator Green (D-R.I.) yesterday introduced a bill to repeal the silver purchase act.

## Hitting 11 Ships In Shanghai Raid Nationals Report

Taipei, Formosa, Jan. 12.—(AP)—The Chinese Nationalists announced tonight a heavy air raid on Red Shanghai had hit 11 ships and left waterfront warehouses in flames.

The airforce communique said Nationalist B-25 bombers and P-51 fighter-bombers in today's assaults: Bombed three ships in harbor, setting one afire; badly damaged two 2,000-ton ships in drydocks; badly damaged another at the mouth of the Whangpoo river; and set five more afire by strafing.

It said in addition to waterfront buildings, unidentified ground establishments in the Chapel and Fooking districts were hit.

The former capital of Nanking and the Yangtze river cities of Kiangyin and Chinkiang also were raided, without announced results.

## Thorpe Hopes To Get Money U.S. Owes Tribe

Philadelphia, Jan. 12.—(AP)—Jim Thorpe, the fabulous Carlisle Indian regarded by many as the greatest athlete of all time, hopes to collect \$456,760,000 for his tribe from the federal government.

The near half billion dollars belongs to his Sac and Fox tribe, Thorpe claims.

The 62-year-old Indian stopped in Philadelphia en route to Oklahoma City to visit several friends. His mind was on money—big money—and not athletics.

"I've never mentioned this," genial Jim remarked, "because most reporters have always been interested in my athletic career."

"This government claim, however, has been on my mind for years."

"Here's the story: In 1814 the government purchased 70,000 acres from my tribe, which was part of the land used in the famous 'Land Rush' That money was deposited in a St. Louis bank for the Indians."

Thorpe says that according to his figures the original sum paid for the land with compound interest has grown to \$456,760,000.

A spokesman at the First National Bank in St. Louis, the city's largest, said any story that nearly a half-billion dollars is on deposit in a St. Louis bank is "ridiculous."

Thorpe said he's got figures and letters proving his claim. All he's got to do is collect.

First, however, he must get the tribe council and tribe chieftain Don Whistler of Oklahoma City officially to place the claim.

"This will be news to the 460 remaining members of the tribe," Thorpe said. "Should the claim go through, and there is every reason to believe it will, the money will be divided among the members."

"The land that was purchased from us has since yielded millions and millions of dollars in oil. Too bad we didn't hold on to it."

Thorpe won fame as an olympic champion and star football halfback with the Carlisle Indian school.

## British Sub Sunk By Swedish Ship

61 Of Crew Are  
Still Missing;  
Rescue Remote

London, Friday, Jan. 13.—(AP)—The British submarine Truculent, carrying 76 men, was rammed and sunk in the Thames Estuary last night by a small Swedish vessel.

Discovery early today of a marker buoy fired from the sunken hulk spurred hope that some of the trapped crew might still be alive.

Fifteen of the Truculent's crew were picked up out of the water by a rescue craft in the busy shipping lane where the Thames empties into the North Sea shortly after the collision.

Discovery of the marker buoy after 10 hours search in the foggy darkness revived the hopes of British admiralty rescue authorities.

Search vessels sent this message to Sheerness dockyards: "Marker buoy fired from submarine has been located."

Earlier a senior officer at the nearby Chatham naval base expressed fear that no more survivors would be found on the surface of the swift-running tideswaters. Admiralty spokesmen in London, however, said it would be possible that the men trapped under 54 feet of water could live for days in watertight compartments of the crippled sub.

Sixty-one of the 76 men were still unaccounted for. There were unconfirmed reports that two bodies had been found.

The Truculent, a veteran of Pacific fighting against the Japanese, was rammed by the 643-ton Swedish tanker Divina whose bows prove were built like a battering ram to withstand the icepacks found in northern waters.

The Divina, still caught in her bows, was being escorted into Sheerness harbor by the naval vessel Cadmus.

An admiralty statement said six officers, 52 seamen and 10 workmen from the royal naval dockyard at Chatham were aboard the Truculent.

Four officers and one enlisted man, who were on the bridge of the sunken submarine, were hauled from the water by the Dutch merchant ship, Almdijk, which radioed the first word of the collision.

The Divina was reported to have picked up nine other survivors who later were transferred to a coast guard lifeboat from Southend. Reports received immediately after the accident said the Divina was out of control, flying two red lights.

The nine survivors transferred to the Southend lifeboat were taken from the scene said. The lifeboat was going back for two bodies aboard the Swedish vessel.

## Catch Man Trying To Break Into Jail

Sycamore, Ill., Jan. 12.—(AP)—You've heard of prisoners trying to break out of jail. Charles Nesbitt, a transient, tried to break in.

Sheriff Arthur E. Anderson said Nesbitt was released yesterday after serving 60 days in the DeKalb county jail because he went to sleep in the sheriff's office two months ago. Last night, a neighbor phoned that someone was trying to break into the jail. Anderson said he found Nesbitt trying to get in by smashing a window. He opened it was cold outside.

Anderson is wondering whether to accommodate Nesbitt, or send him on his way.

## Illinois News Briefs

Rosiclare, Ill., Jan. 12.—(AP)—The Ohio river surged into Main street stores here today and about 60 persons were washed out of homes.

Despite a heavy rain last night and today, flood-wise grocers moved stocks to hill homes and continued supplying Rosiclare tables with food. Up to ten inches of water in stores hampered the moving.

Chicago, Jan. 12.—(AP)—Federal narcotic agents have raided a Sheridan Road flat near Chicago's luxurious Gold Coast area. They said it was a dope and prostitute center and that they seized books listing customers names.

Irwin M. Cohen, assistant U. S. attorney, said federal agents had made marijuana purchases at the flat during the last six months and they often saw scantily clad women in the place.

Springfield, Ill., Jan. 12.—(AP)—The Illinois supreme court today declined to review the case of two former Chicago police officers discharged for refusing to sign immunity waivers before testifying before a grand jury.

Thomas E. Connelly and William J. Drury petitioned for leave to appeal an appellate court decision upholding their removal from the police force. The tribunal dismissed the petition.

Springfield, Ill., Jan. 12.—(AP)—Governor Stevenson today named Attorney Albert E. Jenner, Jr., of Chicago, as an Illinois representative on the Commission for the Uniformity of Legislation in the United States.

Nameoki, Ill., Jan. 12.—(AP)—Raymond A. Voss, 50, took his own life as neighbors looked on late last night a few moments after his wife ran from their house fatally wounded.

Chief of Police Sam Shackelford said Voss, foreman for a starch and refining company, apparently killed his 42-year-old wife before he turned a shotgun on himself.

Canton, Ill., Jan. 12.—(AP)—An official of the International Harvester company's Canton works said today "large-scale layoffs" may result from "intentional" slowdowns in three departments of the plant.

R. F. Denney, works manager, said "layoffs will be essential because of lowered production" brought about by the slowdowns.

An estimated 3,200 workers would be affected by the layoffs.

Chicago, Jan. 12.—(AP)—Sigmund (Sam) Engel, 75 year old swindler of wealthy widows, left for the state penitentiary today with the promise: "I'll be back."

He was sentenced Nov. 11 to a two to 10 year term for swindling Mrs. Reseda Corrigan, 39 year old Chicago widow, of \$8,700 after promising to marry her.

## Nab Conscientious Objector Failing To Have Draft Card

Chicago, Jan. 12.—(AP)—A South Bend, Ind., conscientious objector, saved last November from prosecution of a draft dodging charge by a ruling of the U. S. attorney general was re-arrested today.

He is Carl E. Kime, 23, a student at the Bethany Biblical Seminary, a Church of the Brethren institution in Chicago.

Kime was charged today with failing to keep his draft card constantly in his possession as required by the selective service act.

He was arraigned before U. S. Commissioner Edwin K. Walker and ordered removed to South Bend. His bond was set at \$1,000.

Kime was first arrested last spring on a charge of failing to register for the draft. The charge was dropped when Attorney General Tom Clark ruled that U. S. attorneys are empowered to register conscientious objectors. Such registration was made in Kime's case.

Federal authorities said Kime's rearrest came after he returned to his South Bend draft board a registration card the board had sent him last month.

In returning the card, Kime is accused of having written the board "my feelings have not changed."

## DIES OF INJURIES SUFFERED IN CRASH

Melvin, Ill., Jan. 12.—(AP)—Mrs. F. W. Ticken, injured Sept. 1 in an automobile accident at Burlington, Iowa, died last night at her home in Melvin, Ford county. She was 65 years old.

She had been a patient at Billings Memorial hospital, Chicago, until shortly before Christmas.

Survivors include her husband; two sons, Robert, Jackson Heights, N.Y., an Associated Press newspaper editor in New York, and John, of Piper City, Ill.; and a daughter, Mrs. Eleanor Walesby, Elliott, Ill.

## MONTH-OLD BABY GIRL LEFT ON DOORSTEP

St. Louis, Jan. 12.—(AP)—A month-old baby girl was left on the doorstep of the Baptist children's home in nearby Pattonville last night.

An employee who notified Edgar E. Blake, superintendent of the home, found him writing a speech on the subject: "gifts other than cash."

## Acheson Accuses Russians Of Taking Parts Of China

### 23-Year-Old Woman Patient Says She Fired Davenport Hospital

Davenport, Ia., Jan. 12.—(AP)—A 23-year-old woman patient, described as "schizophrenic," was reported today to have confessed setting a mental ward fire in which 41 women perished.

Scott county Attorney Clark O. Filshie filed a charge of "murder committed in the perpetration of arson" against Mrs. Elvora Epperly, of Rock Island, Ill., across the Mississippi river from here.

Meanwhile, authorities said they were checking further the story of the small and attractive brunette who was a patient in St. Elizabeth's mental ward of Mercy hospital which was destroyed by fire early Saturday.

They said she smiled frequently during questioning, and calmly smoked cigarettes.

Hospital records showed Mrs. Epperly had entered the institution last Dec. 12 and was due to be released on the day of the fire.

Rock Island (Ill.) State's Attorney Bernard Moran, first approached by Mrs. Epperly, said he had doubts about the woman's "admissions."

He said that Dr. Werner M. Hollander, Davenport psychiatrist who attended her, described the woman as "schizophrenic," and said the story was typical of her type of patient.

(Schizophrenia is a form of mental derangement resulting in inaction or the simulating of qualities which one does not possess.)

Moran said Mrs. Epperly told him this story:

She had set fire to the curtains of her room at St. Elizabeth's with a cigarette lighter. She wanted to escape and be with her husband whom she feared was in trouble.

After the curtains were well ablaze, she broke the glass in the transom above her door and escaped into the corridor.

She was taken out of the burning building and after treatment for severe lacerations suffered in climbing through the transom was released to her home.

Deputy Sheriff Harry Weinbrandt assigned to the Rock Island state's attorney's office as an investigator, said officials probing the fire told him evidence indicated the fire started in her room which was on the first floor center, on the east side.

He said he questioned the woman for four hours and that she was "clear and definite" on facts. He said she would not be moved from the story she told earlier to Moran.

Moran said Mrs. Epperly and her husband, a structural steel worker, appeared voluntarily for the questioning last night. When they did not return today as agreed, authorities picked up Mrs. Epperly at her mother's Moline, Ill., home.

## Steady Rains In Midwest Raise Threat Of Floods

By The Associated Press  
Steady rains throughout the midwest sent the mighty Ohio river and its tributaries spilling into more communities Thursday. The danger of widespread new floods increased.

Engineers and weather observers upped their flood crest forecasts for that section of the Ohio river along the Illinois-Kentucky border. Several more days of rain have been forecast.

Hundreds of holdouts—families who have refused suggestions they flee to higher ground—remained behind weakened levees hoping for the best.

'Looks Serious'  
L. W. Sellman, weather forecaster at Chicago, said "it looks very serious" in the Ohio river valley. He said he saw no break in the warm, moist Gulf air which is causing the steady rains or drizzle over the watershed. Another batch of rain was moving toward the valley from Arkansas.

At old Shawneetown, Ill., which was engulfed by the disastrous 1937 Ohio river flood, some 900 persons have refused to move out. Virtually the entire town was moved to higher ground after the 1937 floods.

Those remaining refused to move to New Shawneetown, three miles from the river.

Ohio Goes Up  
Flood stage at Shawneetown is 33 feet. The Ohio river reached 49 feet there Thursday. The flood crest is predicted for next Monday or Tuesday has been upped from 51 to 53 feet and the weather bureau at Evansville said, "we'll probably predict a new flood crest tomorrow when we get reports on the additional rainfall."

Shawneetown is protected by a 60 foot flood wall, but it hasn't been repaired for years.

The Red Cross, meanwhile, urged evacuation of an entire flood-threatened southern Illinois community, and a neighboring village but many of the area's 500 residents chose to stick it out.

## Jap Communist Party May Break Away From Moscow

Tokyo, Jan. 12.—(AP)—The Japanese communist party today officially set its top strategist, Sanzo Nosaka, on the way to becoming the Orient's first Tito.

There were too many unanswered questions to determine immediately whether the move was genuine or an elaborate plant—but on paper it looked convincing.

The Cominform, dominating organization of international communism, last week attacked Nosaka as a tool of the "imperialist occupiers" of Japan. Pravda, official Communist paper in Moscow, echoed the accusations.

The Japanese Communist party today cracked back. The party's political bureau said the cominform conclusions were "unacceptable to the popular masses and that 'Comrad Nosaka enjoys the confidence of the masses as the boldest patriot of the people.'"

The statement conceded that Nosaka had been forced to follow a "zigzag course" because of occupation opposition. But, it insisted that the only uncorrected "mistake" made by the party in Japan was failure to advise the cominform of this unavoidable deviation.

One one-hundredth pound per acre of parathion was found effective against arctic mosquitoes when sprayed from a plane.

## Vet Beats, Stabs Wife And Baby To Death In Columbus

Columbus, O., Jan. 12.—(AP)—A 28-year-old World War II veteran beat and stabbed his wife and baby daughter to death today sheriff's deputies reported.

The veteran then tried to end his own life by drinking a quantity of poison (iodine), the deputies said he told them.

Dead in the double slaying are Mrs. Roselyn Welch, 26, and 15-month-old Mary Cecilia.

Deputy Sheriff Paul Stormont said Mrs. Welch was slain in a bathroom and the baby was stabbed in her crib.

Darrell Welch was held under guard at Ohio State University hospital, where he was taken in an ambulance after telling officers he had swallowed some poison.

Deputy Stormont gave this account of the tragedy:

Welch apparently beat his wife with a rolling pin and then stabbed her with a kitchen knife while she was making a bath. Her nude body was found in the bathtub, one-fourth filled with water.

Then Welch apparently stabbed the baby girl in her crib in the living room.

## Coal Is Not Main Cargo Of Illinois Waterway For Once

Chicago, Jan. 12.—(AP)—Petroleum products displaced coal as the main cargo on the Illinois waterway last month, the Chicago district engineer's office reported today. Only twice before in the waterway's history has coal dropped below first place.

Lt. Col. J. P. Campbell, district engineer, said the coal strike and subsequent three day work week of the United Mine Workers undoubtedly was the cause.

Coal was in second place and grains third.

At Peoria lock and dam, 274,908 tons of petroleum products were moved in December compared with 274,908 tons of coal. At Lockport petroleum products totaled 244,242 tons compared with 258,500 tons of coal.

The date indicated that much of the oil shipped over the Illinois waterway from Mississippi and Gulf ports was dropped off at local terminals along the river. Coal mined in central Illinois was practically a Chicago industrial district.

## DR. SHASHEK NAMED HEAD VETERINARIAN

Springfield, Ill., Jan. 12.—(AP)—Dr. Kenneth V. Shashek, Edwardsville, charge of the Centralia livestock disease diagnostic laboratory, effective Jan. 16.

The appointment was announced by Roy E. Yung, state agriculture director. Shashek served in the U.S. Army veterinary corps and practiced veterinary medicine in Belleville.

## Armed Services Group Of Senate Approves Sherman

Washington, Jan. 12.—(AP)—The Senate armed services committee today unanimously okayed Admiral Forrest P. Sherman for chief of naval operations as republican members called off a probe of Admiral Louis E. Denfeld's ouster from the post.

Action came swiftly after Secretary of the Navy Matthews had testified that:

1. The navy won't put up with a subordinate who disagrees with policies of his superior. He'll get transferred but not "punished or demoted."

2. He didn't fire Denfeld because the admiral lambasted Pentagon policies before the House armed services committee. He called for a change before the admiral testified. "I could not have administered the navy with Admiral Denfeld as chief of naval operations."

Denfeld, now on leave of absence, has not decided whether to stay in the navy in another capacity or retire.

Sherman's nomination now goes before the Senate. Committee Chairman Tydings (D-Md) tried to get unanimous consent for its approval in the Senate after the group acted, but Senator McCarthy (R-Wis) objected. It must lie over a day.

Matthews came before the committee as the climax to a long and heated morning argument in which Tydings accused Senator Knowland (R-Calif) and other republicans of trying to throw open, by subterfuge, the entire dispute over the handling of armed services unification. Knowland retorted that Tydings was trying to gag him.

## Peoria Man Leaves \$600,000 Estate

Peoria, Ill., Jan. 12.—(AP)—An estate estimated at \$600,000 was left by Dr. Herbert L. Williams, 66, who showed today.

The will filled in probate leaves the estate in trust to the widow, Mrs. Ann Collier Williams, and on her death goes to Bradley University. Dr. Williams was a great-nephew of Mrs. Lydia Bradley, founder of the university.

The estate consists of about \$300,000 in personal property and about \$300,000 in farms and other real estate in Minnesota, North Dakota, Colorado, Kansas, and Livingston and Peoria counties, Ill.

## APPROVE NEW STATION

## THOSE FLYING SAUCERS

(Decatur Review)

The air force has decided there is no such thing as "flying saucers." It is positive that whatever was seen by several hundred persons, they did not come from some other planet.

The air force, of course, realizes it is speaking only for itself. It made the investigation over a 2-year period of all reports that seemed to have some basis for investigation. It appears that in a good many cases persons simply were fooled by an illusion or an active imagination. In other cases there were earthly objects that were mistaken for something else.

Despite this finality of opinion by the air force, there are some who declare they saw discs traveling at a high rate of speed and are not satisfied with the air force report. However, until someone can prove that the air force investigators are wrong, the report will have to stand that flying discs or saucers do not exist.

It is easier to accept the report that the discs did not come from some other planet than the report that there was not some kind of material objects going through the air. But no one has the proof that they are material. That is what puts the air force in such a solid position of practically saying until you can prove otherwise, flying saucers are just an illusion.

## Light Bulb Touches Off Gasoline; Garage And Auto Destroyed

A garage and a 1940 Plymouth automobile were destroyed by fire while two houses and a large barn were threatened with destruction by fire at 11 o'clock Thursday morning at the farm home of Dean Smith, one half mile east of Jacksonville on the old state road.

Smith, who was working in the garage, narrowly escaped serious burns when an electric light bulb exploded setting fire to a quantity of gasoline. Smith's hair was badly singed by the flames. Only quick and efficient work by members of the Jacksonville fire department members prevented a serious conflagration.

The alarm was answered by Chief Charles Lonergan, Driver Earl Meline, Fireman Wiley Shawen and mechanics Herman Opperman and William Wallbaum.

When the firefighters reached the scene the garage was enveloped in flames and burning fiercely. The firemen directed their efforts in saving the nearby buildings. A barn, only 15 feet from the burning garage, caught fire several times but the flames were extinguished with a large booster line. A large suction hose was lowered into a well and the firemen used a large fox nozzle to extinguish the

## The Poor Man's Philosopher On Popular Superstitions

By HAL BOYLE

New York—(AP)—This is Friday the 13th, and if anything unlucky happens to you—blame it on superstition.

People have been doing it for centuries, and they will probably keep on doing it.

Superstition is the reverse side of faith—the lazy man's way of keeping out of trouble. But since civilized man remains a lazy animal, superstition still thrives in his heart side-by-side with faith. He tries to work both sides of the street—to please God and placate the devil.

People who say they aren't superstitious simply don't know how deeply superstition is worked into the fabric of their daily lives. Why, for instance, do you decorate your home with evergreen branches at Christmas? Well, the custom springs from an ancient fertility rite—an appeal to bless the house with more children.

Everyone, consciously or unconsciously, observes some ritual of superstition.

My own pet superstition is to knock three times on wood when I don't want something bad to happen.

Many people, particularly women, have a superstitious belief in astrologers and other fortune tellers. One astrologer told me of a famous business man who never made an important decision until she had gandered at the stars for him.

Superstitious fears often bring about their own fulfillment. This was true in the last war of many soldiers who developed a conviction they would be killed in battle. Ernie Pyle got this feeling after surviving many battlefields.

"I think my luck is running out," he said. And it did. But in many cases death came because, feeling they no longer had a chance of returning alive, soldiers grew despondent and careless.

The most superstitious classes today are probably show people and horse players. Beggers make a good living by hanging out in theatrical districts, knowing that most entertainers won't pass them by without tossing them a coin for luck. And confirmed horse betters will follow their favorite superstitions right into the bankruptcy court.

Horseshoe-shaped ashtrays, fox tails dangling from motor cars, pocket good luck pieces—all are survivals of our superstitious past. And there are dozens of others.

My wife, Frances, has a lifelong superstition I wish would come true. Whenever bubbles form as she pours herself a cup of tea, she carefully gathers the bubbles with a spoon and drinks them quickly.

"It means a lot of money," she says stubbornly.

## FORMER OFFICIAL OF F.B.I. SPEAKS TO ASHLAND CLUB

Ashland—A nice crowd was present at the Ashland Civic Club Meeting Monday night in the American Legion hall. The ladies of the American Methodist Church served the dinner at six o'clock.

The program committee composed of E. W. Riley, Elwill Hagen, Carl Altman, Daniel Flinn, Pat Latham and Charles Forman presented the following program: Vocal selections by Maurice Nord of Springfield, with his wife as accompanist. The speaker for the evening was Gary Phillips, attorney of Springfield, and formerly with the F. B. I. He related his experiences with the F.B.I.

**Entertains Class**  
Twenty-five members of the Loyola Daughters class of the Christian church met at the home of Mrs. Howard Douglas Tuesday night. The meeting was opened with prayer by Mrs. Len Faulk. Roll call was answered to by a verse of scripture. Reports were given by Mrs.

Ruth Bryant, chairman of the flower committee, for their year's work, and Mrs. Edith Caswell, chairman of the "Improvement" committee, gave a report of the goal of three hundred dollars made for improvement to the church of which they hope to accomplish in 1950. Mrs. Esther Roth was nominated for the presidency of the class.

Mrs. Myrtle Michaels had charge of the devotions and scripture reading of the fourth chapter of Matthew. Five piano numbers were played by Darlene Douglas.

Assistant hostesses were Mrs. Libby Jones and Mrs. Margaret Creed, after which the television was much enjoyed by all.

**Mrs. Hartman Speaks**  
The Ashland woman's club met Tuesday afternoon in the library club room.

The Public Health committee, with Mrs. Roy Stice as leader, were in charge of the afternoon's program. Two piano selections "The Dancing Debutante" and "Prelude in C Minor" was played by Gary Owens. The speaker for the afternoon was Dr. Robert R. Hartman of Jacksonville, but being unable to

attend, he sent his wife who gave the talk on the subject her husband was to have given "Compulsory or Voluntary Health Insurance."

Delicious refreshments were served during the social hour by Mrs. John

Walker, Mrs. Seibert Quinley, Mr. Virgil Pettit, Mrs. L. D. Lewis, Mr. Fred Hexter, Mrs. Chester Douglas, Mrs. Frank Long and Mrs. Clarice Rearick.

# Lewis Must Retire Next Month Unless Aides Recall Him

Washington, Jan. 12—(P)—John L. Lewis must bow out as head of the United Mine Workers union one month from today unless his own aides decide to keep him.

They probably will.

But a compulsory retirement provision of the UMW's constitution could conceivably provide a challenge to Lewis' grip on union miners.

Lewis himself had "nothing to say" when confronted with the UMW constitutional clause saying that officers must retire on reaching their 70th birthday. The same constitution says the retirement shall be on a pension, but nobody would say how much that would be.

Lewis turns 70 on Feb. 12. The clause which would make it possible for him to continue at the helm of the UMW after that date is one which specifies:

"Exceptions to this obligatory retirement age may be made by the international executive board if it finds it necessary to continue the services of an officer."

The 32 members of the executive board, who get paid \$12,000 a year plus expenses, invariably agree with Lewis. It very likely will turn out that they "find it necessary to continue" his services.

The same printed constitution, a booklet, also says that Lewis gets \$50,000 a year salary, plus expenses, as UMW president. It provides that in case the office of president becomes vacant, the vice-president succeeds. The UMW vice-president now is Thomas Kennedy, one-time lieutenant governor of Pennsylvania.

If the UMW executive board has no other reason for keeping Lewis, one would be that the union is now in a climax stage of a seven-month fight against the coal industry for a new contract. Lewis has directed that scrap all the way.

Mr. Ward and his wife travelled here from Michigan to the home of a cousin, Angus McLean. On Thursday he plans to go to nearby London to visit another cousin, Mrs. James Dean. He was born in Alvinston.

# Catholic Church Doubts "Vision" Story Of Children

Frankfurt, Germany, Jan. 12—(P)—The Catholic church today threw official doubt on a woodland "vision" of the Virgin Mary which drew thousands of pilgrims to a tiny German village.

The archbishop of Bamberg, after an investigation of the stories of six young children, announced that "there are no facts up to now to support belief in the appearance of a supernatural vision."

The young children in the Bavarian village of Thurn reported last autumn they nightly saw the "vision" of the Virgin Mary and the infant Jesus hovering over a wood in a castle park.

Thousands of Catholics flocked to the village with its population of 618 persons.

Special pilgrimage trains and buses were organized from Bavarian cities. The children said at Christmas they saw the vision again.

The Bamberg archbishop announced there were "many facts which cast doubt on the reports" and he ordered a ban on any future pilgrimages to the spot.

He also ordered priests in his diocese to refrain from mentioning the "vision" and for Catholics to stop collections for a proposed church on the site.

# Sun Oil Company Accused By U. S. Of Law Violation

Washington, Jan. 12—(P)—The Justice department today charged the Sun Oil company of Philadelphia with anti-trust law violations in the sale and distribution of gasoline and automobile accessories.

Attorney General McGrath announced that a civil anti-trust action was filed against Sun, the maker of "Sunoco" products, in the federal district court in Philadelphia.

He said the complaint accuses Sun of compelling some 10,000 independent service station operators in 18 states and the District of Columbia to enter into exclusive purchasing contracts with Sunoco.

These contracts, the suit alleges, require these service stations to purchase their gasoline, motor oils and other petroleum products, and automobile accessories, from Sun and to refrain from making any similar purchases from any Sun competitor.

# F. Wood Lewis, 85, Robinson Editor, Official Dies

Robinson, Ill., Jan. 12—(P)—F. Wood Lewis, 85, founder of the Robinson Daily News, died last night in Allen's sanitarium here.

He was stricken with pleural embolism New Year's day and had apparently started to recover after several critical days. Death was ascribed to a heart condition.

A Democrat, Lewis had been a lawyer, school teacher, Crawford county state's attorney, mayor of Robinson and had held other public positions here.

He was elected a state representative in 1924 and served six terms. Gov. Henry Horner appointed him superintendent to organize and administer the state division of motor carriers at Springfield. After 1940 he returned to Robinson and confined his activities to the Robinson Daily News.

Lewis had turned over duties as publisher to his son, State Senator Kent Lewis of the 48th district. However, the elder Lewis continued as wire editor for the paper until his illness.

He is also survived by his wife, a sister, Mrs. Loretta Curl of Paris, Ill., and two grandsons.

# FINLAND APPROVES WAGE INCREASES

Helsinki, Finland, Jan. 12—(P)—Finland's parliament by a 90 to 69 vote of confidence today approved general wage increases agreed to by Premier Karl-August Fagerholm's cabinet.

It was the fifth vote of confidence the cabinet has won in its year and a half history.

The social Democrat government had ordered a 7.5 percent general wage increase after the trade union federation asked for a 10 percent raise.

All members of Eastern Star and White Shrine requested to meet at 2 o'clock Friday at Gillham Funeral Home to attend funeral for William Morgan.

Little Rock, Jan. 12—(P)—A strike against the Arkansas Gazette is continuing but not for the reason it was started.

State Labor Commissioner C. K. Call, authorized spokesman for both

management and the striking American Newspaper Guild (A.N.G.), announced in a statement last night: "The issue which originally caused the strike (disagreement over a dismissal clause in a proposed contract) was subsequently resolved in negotiations."

"However, out of the most recent negotiations arose the issue on which photographers struck Dec. 17. Termination of the issue on which no agreement has been reached, walkout later."

Twenty-three newswriters and photographers struck Dec. 17. Termination of the issue on which no agreement has been reached, walkout later.

## Expect De Gasperi To Be Reappointed Italian Premier

Rome, Jan. 12.—(AP)—Premier Alcide De Gasperi and his anti-communist coalition cabinet resigned today in a move that may give Italy its first one-party government since the war.

The shakeup, agreed upon at a cabinet session last night, was promised two months ago. De Gasperi, whose Christian Democrat party controls parliament, was expected again to be president Luigi Einaudi's choice to form a new government.

The outgoing cabinet meanwhile remained in office temporarily. A strong faction of De Gasperi's party favors a government made up entirely of Christian Democrats. The premier himself has said often Italy should have a coalition government because many voters, not actually Christian Democrats, vote for his strongly Catholic party as an anti-communist gesture.

The April, 1948, elections. In forming a new coalition De Gasperi might have difficulty getting cooperation from the Liberals, who presently are torn over the issue of continued participation in a Catholic dominated government.

## Man Slashed On Face At Tavern

Police received a hurry-up call at 12:30 o'clock Thursday morning to the Nunes tavern on West Morgan street, where Merrill Menezes had been slashed on his face by another man. Patrolmen Spencer, Dodsworth and Hill were first arrivals at the scene of the trouble.

Menezes was taken by Chief Kiloran and Lieut. Stout to Our Saviour's hospital where 13 stitches were required to close his wounds. Dr. E. C. Bone was the attending physician.

Police learned the name of Menezes' alleged assailant and immediately began a search for him. The suspect had not been located Thursday morning.

Menezes was taken to his home after hospital treatment.

## Berea Society Meets In City

An interesting program of readings and contests was held by the Berea Ladies Aid society at Hamilton's Cafe. Mrs. Harold Stewart and Mrs. Jess Pettish were winners of the contests.

The President Mrs. Lloyd Flynn called the meeting to order. The minutes of the last meeting were read by Mrs. James Luster. A committee was appointed to arrange the program for the coming year. Roll call was answered by naming an Apostle.

Refreshments were served. The hostesses were Mrs. Harold Stewart and Mrs. Albert Nall. The February meeting will be held with Mrs. Clyde Lewis and Mrs. Ralph Robinson as hostesses; Mrs. Hugh Norfleet, program and roll call, Valentine box.

### CHICAGO LIVESTOCK MARKET REPORT

Chicago, Jan. 12.—(P)—Most classes of livestock registered declines today ranging from 25 cents to as much as \$1.00 a hundred pounds. Hogs were off 25 to 50 cents. Cattle were steady to 50 cents lower except bulls which were 50 cents to \$1.00 less. Vealers were steady to \$1.00 off, and ewes scarce and steady.

Clearance was good at the lower prices on hogs, however, despite estimated receipts of 2,000 more than expected by the trade plus 1,000 state unsold holdovers from the Wednesday excess. Butcher hogs brought \$14.00 to \$16.00 generally but one load merited \$16.25. Sows fetched \$10.00 to \$12.75 with a few choice

going to \$13.25. Outside of a few high-good yearlings and a part-load of mostly choice mixed steers and heifers at \$30.00, the run was largely medium and good fed steers at \$21.50 to \$22.25 and comparable heifers at \$21.00 to \$22.00. Beef cows topped at \$17.50, sausage bulls early at \$22.50 and later at \$21.50, and vealers at \$22.00. Fed lambs peaked at \$24.00, clipped kinds at \$22.00, yearlings at \$20.50, and ewes at \$12.00.

Estimated receipts for sale included 19,000 hogs, 4,000 cattle, 500 calves, and 5,500 sheep.

New York, Jan. 12.—(P)—A sudden wave of selling flattened stock prices

late today. Losses of fractions to a point or so were quickly chalked up as the market staggered under a load of offerings.

Selling pressure was so intense that the high-speed ticker tape lagged as much as six minutes in reports of transactions on the floor of the exchange. The tape also ran behind at the opening of the market but price action then was inconclusive.

Blocks of stocks running to more than 5,000 shares each were transferred at rapidly declining prices.

Bonds weakened with stocks.

### Warn Against Use Of Battery Cases For Fuel

Indianapolis, Jan. 12.—(P)—Health officials warned today against using battery cases for fuel after attributing the deaths of two children to lead poisoning contracted from ashes. Their parents said they had been unable to get coal.

Dr. Gerald R. Kempf, city health director, warned that burning battery cases as fuel is "inviting disaster." The children, one-year-old cousins, were Marvin Offet, who died Monday, and Karen Easley, who died Dec. 13. The parents, Mr. and Mrs. Roy Offet and Mr. and Mrs. James Easley, occupy the same house.

Two other children are seriously ill. They are Marvin's twin brother, Michael Offet, and Leonard Radford, 21-month-old son of Mr. and Mrs. Gramman Radford, who live in the same block on the southeast side of the city.

Health authorities said the children suffered encephalitis (inflammation of the brain) as a result of lead poisoning.

Dr. Kempf said the children must have come into contact with ashes from the living room heating stove while playing on the floor.

### Synthetic Mica Discovery Removes Need For Import

Washington, Jan. 12.—(P)—Government scientists have developed a synthetic or artificial mica, relieving U. S. dependence upon imports for that important electrical insulation material.

Secretary of commerce Sawyer announced it today with a declaration that "this discovery is of immense importance to the United States."

It was implied that the development is an addition to the National security. It was said to furnish a means of substituting a domestic product for an import which Sawyer called "critical in the manufacture of electrical and electronics equipment."

Mica consists of transparent crystals. It is popularly termed "islinglass."

Sawyer said the synthetic mica "has essentially the same properties as natural mica but is superior to the natural substance in its ability to withstand high temperatures."

### ATTENTION VOTERS

If not previously registered to vote you must do so before March 13th in order to vote at the April 11th Primary. Registrations are taken care of at the County Clerk's office. If you have CHANGED YOUR ADDRESS since the last election you should call at the County Clerk's office and make a transfer. If you have CHANGED YOUR NAME it is necessary that you re-register.

George T. Douglas, County Clerk.

### MARCH WHEAT IS 3 CENTS LOWER

Chicago, Jan. 12.—(P)—March wheat fell nearly 3 cents and the rest of the grain market showed a weak trend on the board of trade today.

Persistent selling entered all cereals throughout the session with dealings becoming quite active toward the close. The market displayed very little buying power.

An increase in receipts of cash grain at major terminals, very large offerings of hard to the government in comparison with government export needs, and closing down of a soybean exporter plant exerted a depressing influence on prices.

Receipts were: Wheat 9 cars, corn 129, oats 28, rye, 6, barley 10, soybeans 10.

Wheat closed 11-2; lower, March \$2.15-1/2. Corn was 11-12 lower, March \$1.29. Oats were 4 to 1 cent lower, May 69-1/2. Rye was 11-21 lower, May \$1.41-1/2. Soybeans were 2 to 2 1/2 lower, March \$2.31-1/2, and hard was 25 to 32 cents a hundred pounds lower, January \$10.60.

### Markets At A Glance

Jacksonville's prep basketball teams begin a campaign to regain their winning ways this evening with the J.H.S. Crimsons setting up a blind at Havana in an attempt to run down the high-flying Ducks and Routt's Rockets invading the St. James Trademans' workshop at Springfield.

Neither local quintet enjoyed much success in previous games this week. John Chapman's high school five fell to Mt. Sterling's Green Hornet 58-48. Paul Stroud saw his Routt outfit stumble at Waverly Tuesday night and fail to get back on its feet in time to stop Merodosa here Wednesday evening.

Spike Wilson's L.S.D. crew takes its traveling seriously. The Tiger hardwood trodders are in Louisiana, Mo., this week competing in a 16-team invitational tournament. Spike's quint, by the way, owns the best record on the loss side of any team in town. The westenders have dropped but one tussle this season, that to Chapin earlier in the year. On the other side of the ledger the Deaf gunners sport a seven game win skein.

Of the Jacksonville high and Routt junkies, the Crimsons will probably find the toughest row to hoe. The Ducks have beaten everything in sight this season. For comparison, Charles Sullivan's gang clipped Mt. Sterling by one point which, on paper, makes the Ducks an eleven point better team than the Jacks.

On the other side of town, Paul Stroud and his Routt netters should find little trouble at St. James. The Trademans have been searching vainly for a victory all season but so far have come up with nothing but losses—eight of them.

Crimson starters will show Bill Williams and Jack Chapman, center and forwards, Maylon Baldwin, center and Ike Wright and Ron Kemp, guards. For Routt forwards Dick Casler, Hinky Henry, center; Paul Saner, and guards A. J. Spreen and Sonny Lonergan will start.

## Buffalo Bills Ask Franchise To Get Into New League

Buffalo, N. Y., Jan. 12.—(P)—The Buffalo Bills made formal application today for a franchise in the newly-formed National American Football League.

In a letter to league commissioner Bert Bell at Philadelphia, Albert T. O'Neill, president of the Buffalo club, cited local stadium facilities and recent efforts of local fans to pledge adequate financial support.

The Buffalo Bills of the old All-America conference were not included in the new 13-team league following the recent pro football merger.

## FARMER'S AUTO SALES INDEPENDENT CAGERS WIN 65-47 AT ALSEY

Farmer's Auto Sales Independent basketball team ran roughshod over the Manchester Indians on the Alsey boards last night, bringing home a 65-47 victory.

Charlie Due led the Jacksonville scoring with 20 points. Other Farmer's scorers were Patterson, nine; Bussey, 14; Smith, 13; Campbell, seven and Farmer, two.

Cooper led Manchester winners with 13 points.

## Three Important Illinois Valley Games Tonight

By John Campbell

Three important conference games are on tap Friday night with the top ranking Jerseyville club entertaining Coach Howard Berline's White Hall Maroons: Carrollton goes to Greenfield and Roodhouse goes to Winchester.

Jerseyville clocked out a 56-51 win over a capable Carrollton team Tuesday night. Winchester won over White Hall for the second place position and Greenfield beat Roodhouse 42-44 for the second loop win in a row, after downing White Hall last week.

Teddy Prinity, sophomore standout at White Hall, is leading the scoring for the first four games with 65 points and Lyndell Smith of Carrollton coached club is next with 58 points, sophomore star for the Hawks. Ross Copley, top scorer for Roodhouse, is near the top with 48 points.

## Dixie Colleges Rebel Against NCAA Sanity Code

New York, Jan. 12.—(P)—Dixie colleges rose today in a seething rebellion that split the National Collegiate Athletic Association wide open in a fight over the sanity code.

The southern, southeastern and southwest conferences, in a joint indignation meeting, voted unanimously to stand back of four southern institutions threatened with expulsion because of admitted code violations.

One by one, more than 40 college representatives stood up to announce they would vote "Nay" Saturday when the convention will be asked to kick out Virginia, Virginia Tech, Virginia Military Institute, the Citadel and possibly others.

Three of the original prospective "Black List" have not been identified.

"We must use all our influence to get out the vote for the Virginia, W. L. 'Bill' Alexander, athletic director at Georgia Tech, announced at the joint meeting. He presided.

These were other quick-breaking developments of a riotous day with the nation's college athletic chiefs:

1. The Citadel announced it already had quit the NCAA but planned to join in the fight on the floor.

2. Virginia announced, through President Colgate Darden, Jr., it probably would pull out of the NCAA unless the code is changed—regardless of the expulsion action.

3. A move was started to rip the NCAA of its governing powers and return to its position of two years ago as merely a schedule-making body.

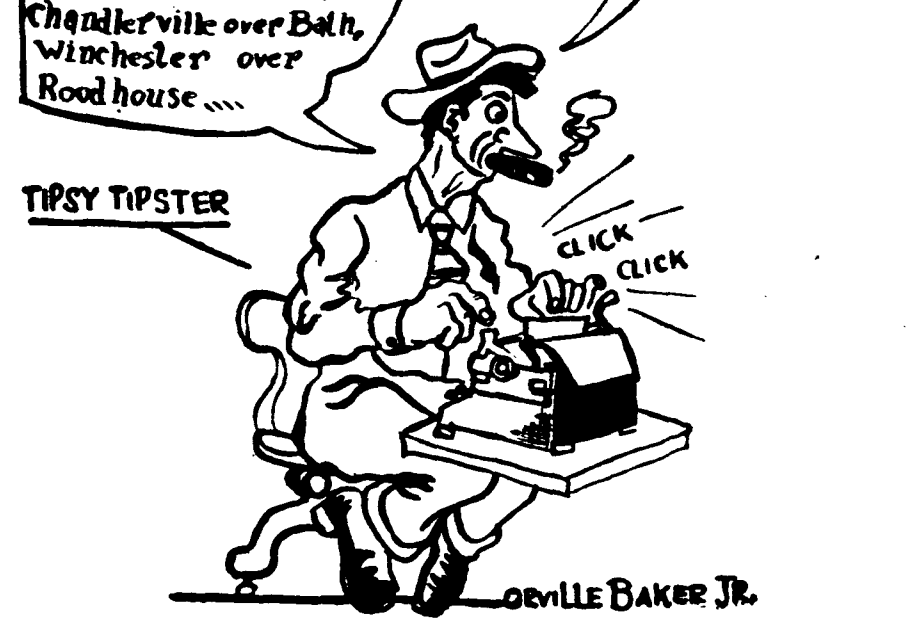

4. Karl Leib, president of the NCAA, called Saturday's meeting the "Showdown," determining the future of the sanity code and the NCAA.

The fireworks started in the early afternoon when all seven violators were given the privilege of presenting their cases before a joint meeting of the NCAA's executive committee, council and compliance committee.

COMMITTEE SUICIDE

Chicago, Jan. 12.—(P)—Police said an unemployed electrician electrocuted himself today by wrapping bare wire around his wrists and plugging the ends into a socket. The electrician, Robert Schroeder, 57, was found dead in bed.

Friday night games it should be something like this...  
Hawma over JMS.,  
Routt over St. James,  
Waverly over Virden,  
Milton over Bluffs,  
Chandlerville over Bath,  
Winchester over Roodhouse...

## ISD Passes First Test In Louisiana Tourney, Semi-Finals Tonight

Louisiana, Mo.—Illinois School for the Deaf moved to the semi-finals in the class A bracket of the Louisiana high school basketball tournament here last night by topping a highly-regarded Affton, Mo. quintet 29-22 in their first-round contest.

The Jacksonville club is scheduled to meet Bayless, Mo., in a semi-final tussle at 9:15 p.m. this evening. Bayless is rated the number-one team in the tournament. Both Affton and Bayless are suburbs of St. Louis.

The big sixteen-team invitational tournament is divided into two sections, class A and B. The Wilsonmen are competing in the upper bracket and should they win this evening, they will meet West Pike for the championship. If they lose, the Tigers will tangle with the host Louisianians, who were knocked off by West Pike, for consolation honors.

Coach Wilson said last night that the team would stay in Missouri until the tournament winds up Saturday night.

Last night's game was very slow with the Affton quint electing to play possession ball, holding the score down. However, Leo Ceci and his Tiger team mates managed to latch on to the leather often enough in the first quarter to go ahead 7-4 and they were never headed.

Affton pulled up 14-12 at halftime and hung grimly behind the westenders through third period action, trailing 19-17 at this stopping point.

Leo Ceci led ISD scoring, pumping in 10 points. White, Affton forward, was top gunner in the game with eleven markers.

## Sailor Is Accused Of Manslaughter

Pearl Harbor, Jan. 12.—(P)—Arthur E. Roe, 32, a sailor from Elgin, Ill., was charged yesterday with manslaughter in the traffic accident death of his infant son.

The baby died when a car driven by Roe crashed into a light pole Jan. 2, said police Sgt. Frank Thomas.

Roe was turned over to military authorities. He also was injured in the accident. His mother is Mrs. Ruth Hollingsworth of 308 DuPage Ave., Elgin.

## TWO YOUNG ROBBERS GET SUSPENDED TERMS

Fort Dodge, Ia., Jan. 12.—(P)—Two Webster City, Ia., youths, members of a trio accused of more than 40 robberies in Iowa and Minnesota, received suspended 10-year sentences today.

The pair, Kenneth Paul Meyers and Richard Dean Balesky, both 19, pleaded guilty to charges of breaking and entering.

The third member of the trio, Veri Raymond Schoon, 19, of Clarks Grove, Minn., received a suspended sentence earlier this week.

## 9-YEAR-OLD FOUND HANGED IN CLOSET

Chicago, Jan. 12.—(P)—Nine year old Warren Biel was found hanged today in a closet at his home.

The boy was suspended by a belt from a rack in the closet.

The boy's brother, Ronald, 13, told police he believed Warren was acting out something he had seen on television.

Their parents, Carl, 35, and Loraine, 31, operate a grocery store in the same building at 5468 West Division street.

## Blueboys Second In CCI Standings, Travel Saturday

The Illinois college Blueboys, currently tied for second place in the Little Nine basketball conference race, seek to improve their standing in the tough Illinois league Saturday night when they travel to Naperville, Ill., for a set-to with the North Central Cardinals.

The Redbirds, with a 1-1 record to date, rest in a two-way tie with Illinois Wesleyan for a fourth place rating in the conference.

The local colleges, paced by all-conference guard Bill Shouse, who boasts a fat 17 point per-game average in eleven contests, turned back Lake Forest 80-50 for their only league victory. The Millermen have won their last seven engagements and hold a 9-2 mark for the season.

Wheaton's Crusaders, who tied with Illinois college for second place in the conference last year and consequently advanced to the NAIB tournament at Kansas City, are leading with a 2-0 record. Augustana, tied with the Blueboys for second place, edged North Central, the Blueboys next foe, 58-56 for its only loop victory.

## Crosby's Personal Golf Tournament Will Begin Today

Pebble Beach, Calif., Jan. 12.—(P)—Bing Crosby's personal golf tournament, the only one of its kind, will get under way tomorrow with a select field of professional and amateur stars battling par and themselves for \$10,000 and other prizes.

The biggest names in golf, including plucky Ben Hogan, will range over three world famous courses here during the three-day 54-hole medal play event. One round each will be played at Cypress Point, Monterey Peninsula and Pebble Beach in that order.

Hogan, fresh from his dramatic comeback when he and Sam Snead tied for first place in the Los Angeles open, drew George Coleman of Pebble Beach, for his amateur partner. Sharing favoritism with Hogan will be his arch rival, Snead. In the pro-amateur, Snead is partnered with Roger Kelly of Los Angeles, a former California State amateur champion.

Crosby puts up the cash and other prizes in addition to footing other bills. Bing is paired with his regular partner, home pro cam pugel.

## Not Many Players In National League Are I-Year Vets

New York, Jan. 12.—(P)—The National League's old guard is thinning out.

Once upon a time the senior circuit abounded with veterans of a decade or more of major league experience. Today the rosters of the league's club show only 17 players who can hold membership in the 10-year club.

According to Charley Segard, director of the National League Service Bureau, that's the smallest list of graybeards since the bureau has been checking such things.

The 17 veterans make up slightly less than six per cent of the league's 310 players.

Of the group, six are pitchers, two are catchers, four are infielders, three are outfielders, and two are combination first baseman-outfielders.

The object lesson of that last paragraph is that if you want to train your son to be a big leaguer and last long enough at the trade, teach him to be a pitcher.

The heaviest, according to these surveys, usually have a bigger edge on the other athletes when it comes to longtime service.

Five of the 17 oldtimers joined the "Ten Club" during the past season. They are Bob Elliott, Boston third baseman; Pee Wee Reese, Brooklyn shortstop; Marty Marion, St. Louis shortstop; First Baseman-Outfielder Johnny Hopp of Pittsburgh, and Outfielder Mike McCormick, recently signed by the Giants after his unconditional release by the Dodgers.

## Scarborough Turns Down Nats' Offer

Washington, Jan. 12.—(P)—Ray Scarborough, the Washington Nats' top pitcher last year, became the club's first 1950 holdout today as he rejected a new contract calling for a pay cut.

The big right-hander made about \$17,000 last season when he compiled a record of 13 wins against 11 losses for the Senators who finished a poor eighth in the American League race.

Scarborough did not disclose how much of a salary slash he had been asked to take, but he made it clear he won't accept it.

## Our Saviour's, Bluffs Losers In Close Tilts; Finals Saturday Night

Consolation  
Bluffs vs. Our Saviour's (7 p. m.)

Championship  
Arenzville vs. Chapin (8 p. m.)

Arenzville and Chapin grade school quintets won their way into the finals of the PMSC conference tournament at the new South Jacksonville gymnasium last night but not without mighty battles from the Bluffs and Our Saviour's of Jacksonville kid fives.

The first semi-final tussle was as close as any game could be. The Bluffs grades, after lagging by a considerable margin through three quarters, hit the comeback trail a little late and dropped a 24-23 decision to Alvin Heitbrink's flashy Arenzville aggregation.

Chapin, trailing Our Saviour's 22-14 at the half of the second game, turned the heat on the Jacksonville outfit and came up with a 30-24 victory, good enough to land the west Morgan team a berth in the finals against Arenzville Saturday night.

Consolation and championship games will be played at 7 and 8 p.m. Saturday night in the bright, modern South Jacksonville gymnasium. Merle Wade, principal of the consolidation school and tournament YMCA teams will play regular league games in the gym tonight.

High scorers last night were G. Lovelamp of Arenzville with nine; Max Edlen, Bluffs, ten; Charles Aufdenkamp, Chapin 15 and Jimmy Costello, Our Saviour's, 11.

Though they were eliminated from the championship bracket by Chapin's husky grade quintet last night, Our Saviour's kid squad boasts one of the outstanding players in the PMSC tournament. A veritable ball-hawk, eighth-grader Jimmy Costello can dribble, pass and shoot with any high school team. Only his size—he's about 5 feet tall—stands in his way towards becoming a top flight artist in the jump and run business. Some fans are already foreseeing that the little curly-haired flash will make Routt followers forget about Connie Hamlin, who, by the way, wasn't exactly a slouch in the short pants.

## Edward J. Neil Plaque Presented To Ezzard Charles

New York, Jan. 12.—(P)—The Edward J. Neil Memorial plaque was presented to Ezzard Charles, NBA heavyweight champion, tonight by the New York Boxing Writers Association.

Charles, still not recognized as champion in New York state was judged the boxer who had done the most for the sport during 1949 with sportsmanship, clean living and top flight ring performance. He was a unanimous choice.

The award has been given out annually since 1938 in memory of Neil, Associated Press boxing writer who was killed while serving as a war correspondent in the Spanish war.

## A. Preece Leads Bradley To 89-67 Victory In Garden

New York, Jan. 12.—(P)—Bradley University gained its 13th victory in 15 starts, mauling Manhattan, 89-67, in the high scoring finale of tonight's college doubleheader.

A gathering of 10,000—smallest Madison Square Garden college basketball crowd in 10 years—watched New York University dump Duke, 80-64, in the opener.

Besides dropping its third game in nine starts, Manhattan lost the services of Fred Schwarz, regular forward for the balance of the season. The scrappy six-footer suffered a broken collar-bone when he charged into a Bradley player while trying to prevent a two-pointer.

Except for the first 12 minutes of the opening half, Bradley, rated No. 6 in the Associated Press poll, had little trouble with the Jaspers. The Peoria quintet closed fast to pull away from a slim 25-24 margin and take a commanding 41-20 half time lead.

Paul Unruh, high scoring center, paced the first half drive, netting all 13 of his points in that period. Little Gene Melchiorre, the feeder and playmaker, did not make a basket in the half but set up many of Bradley's scoring plays.

Unruh fell off badly in the second half but the slack was taken up nicely by Aaron Preece. The speedy guard Preece scored 14 of his 18 points in the last half to enable Bradley to maintain a comfortable margin throughout. Melchiorre, with six points in the first half, all on fouls, and 10 in the second was runner-up to Preece with 16.

Captain Jack Byrnes and Little Joe Loprete did Yeoman work in the second stanza trying to keep the Jaspers in the game. With Byrnes hitting for 14 points and Loprete for 12, the Jaspers crept to within eight points of the Bears at one time, 61-53, but a nine

## New England Women Subject Of D. A. R.

Dr. Elsa Kimball of the MacMurray faculty addressed the Rev. James Caldwell chapter of the D. A. R. on "Historical New England" at their meeting at the Dunlap hotel at 2 p.m. Thursday. She was introduced by Mrs. Paul Allyn, program chairman.

Mrs. George E. Baxter, regent, presided, and Miss Olive Burnett led in the pledge to the flag, followed by the singing of "America the Beautiful" and the reciting of the American Creed, Mrs. Arthur Ewert.

## Virginia Kiwanis Has Installation, Reviews Past Year

Virginia—Fifty-five people met at the Legion Home Monday evening for the installation of officers of the Virginia Kiwanis club. It was also ladies' night.

Lt. Governor A. W. Morse of this city was the installing officer and reviewed the accomplishments of the club during the year, the increase in membership and the growth of participation in civic affairs.

He expressed his appreciation of the manner in which the retiring president, Paul E. Young, and other officers had conducted the affairs of the club during the past year. Special credit was given to C. R. Wilson, who has been secretary for 12 years. He also noted that eight past presidents were present, W. R. Hiernan, J. H. Massie, Edwin McDonald, Rev. H. F. Higgins, C. G. Colburn, A. W. Morse, Geo. Dirreen and Paul E. Young.

The officers for 1950 are Guy H. Husted, president; J. S. Hayward, vice president and C. R. Wilson, secretary. Dr. W. E. Holden, Dave Finney, E. L. Meyers, John Byus and Wendell Briggs are directors.

Group singing was led by Lee Tanner. The guest speaker was A. Pierce of Havana, Persirn by birth but American by choice, who charged his listeners to give thought to the advantages that they have in this country and make a diligent effort to retain them. Greater participation in civic affairs was urged.

The speaker, an authority on rugs, had on exhibit some rare specimens of the Persian craftsmen and some vegetable dyes used in coloring rugs.

The Virginia JayCees have completed plans for a square dance to be held in the Farm Bureau building on Saturday, Jan. 14, at 8:30 p.m.

## Malik Comes Back To U.N. Council; May Leave Again

Lake Success, Jan. 12—(P)—Russia's Jakob A. Malik came back to the United Nations security council today. But he made it clear he would walk out again—as he did Tuesday—if the council beats down his demand to oust the nationalist China delegation at this time.

Other members made it equally clear they are not yet ready to kick out the nationalists and open the way for red China to join the council now.

Malik in a 26-minute speech attacked nationalist delegate T. F. Tsiang and repeatedly demanded that the council toss him out immediately.

The council adjourned without reaching a decision. A vote is expected tomorrow.

American delegate Ernest A. Gross told the council the U. S. would vote against the Soviet resolution calling for Tsiang's ouster; that the U. S. considers such a vote would not be a veto; and that the United States is ready to do whatever the majority of the security council wants done about the nationalist China delegation.

## James Richardson Of Waverly Dies; Married 67 Years

Waverly—James T. Richardson of this city passed away at 7:45 p.m. Thursday. He was born June 8, 1862, the son of James F. and Tennessee Taylor Richardson.

On Sept. 12, 1888, he was married to Lulu Baggerly of Modesto. She survives along with one daughter, Pearl Richardson of Springfield, one son, Noble C. Richardson of Waverly, one brother, Fred of Paradise, Calif., and a sister, Mrs. Mary Weigand of Gillespie. He also leaves 12 grandchildren and two great-grandchildren.

The remains were taken to the Wess Funeral Home at Waverly. Funeral arrangements are incomplete.

The mean winter temperature in Yakutsk, Siberia, is 12 degrees below zero, according to the Encyclopedia Britannica.

## Russell Kelley Elected To Head Recreation Club

Russell Kelley, Jacksonville park superintendent, was elected president of the Jacksonville Recreation club at a meeting held in the Dunlap hotel Thursday night.

Other officers elected are: Milton Edge, vice president; Cletus Graves, recording secretary; Bob Morris, corresponding secretary; Barney Lewis, treasurer; Harold Lair, assistant treasurer; Wallace Baptist, member of board of directors. Baptist is the retiring president.

The Recreation club, which sponsors softball activity in the city, is presently in the best financial condition in its five-year history. Additional activities are being contemplated for the organization, a year-around club.

Members discussed the possibility of inaugurating a junior baseball league. Definite action is expected within a month.

Also discussed was the possibility of again playing host to the men's state softball tournament of the Amateur Softball Association. Byron F. Hogan, state commissioner, is being invited to the next meeting in an effort to return the event to Jacksonville.

## Ingrid Bergman Is Planning To Have A Mexican Divorce

Rome, Jan. 12—(P)—Ingrid Bergman plans to seek a Mexican divorce, her Italian lawyer said today.

The Swedish film star, wife of Dr. Peter Lindstrom of Hollywood, declared last summer her intention to dissolve their marriage so she could wed Roberto Rossellini, noted Italian film director.

Her lawyer, Gino Solis, said he had been forbidden to disclose details of Miss Bergman's divorce plans. Advised of published reports she had agreed Dr. Lindstrom should have custody of their 11-year-old daughter, Pia, Solis said he could not deny them.

The reports were denied, however, by Miss Bergman's Hollywood attorney, Greg Bautzer. Bautzer said in the movie city that a settlement of the pre-divorce affairs is still in the negotiation stage.

"No agreement has been reached on the divorce or the custody of the Lindstrom's child, Pia," he said. As to reports the actress will seek a Mexican divorce, Bautzer said there has been "no determination of where a divorce will be obtained."

## President Calls On Europeans To Join Economically

Washington, Jan. 12—(P)—President Truman sent a report to congress today calling for the eventual economic merger of western European nations into a single giant trading area of 270,000,000 people.

In that direction, the report said, lies Europe's post-war economic salvation.

The report, the sixth quarterly review by the Economic Cooperation Administration (ECA), sketched a cautiously optimistic picture of European recovery under the stimulus of American aid and set forth the following goals for a brighter future:

1. Relaxation of trade restrictions.
  2. Lowering of tariff barriers.
  3. Maintenance of fiscal stability.
  4. Further increases in production.
- The report said American dollars have bolstered Europe's economy to such an extent that the 16 Marshall plan nations can take this "radical" step without risk.

## Douglas Praises Truman Stands

Washington, Jan. 12—(P)—Senator Douglas (D-Ill.) praised President Truman today for having "the guts to stand up to newspaper and magazine publishers" on the issues of special mail rates.

Douglas interpreted remarks by Mr. Truman in his budget message as meaning that those second-class mail users, as well as third and fourth-class users, should "pay their own way" instead of getting a cut-rate.

The Illinois lawmaker spoke out at news conference dealing with a report on a study of government financial policy made by a Senate-House economic subcommittee which he heads.

## Threshermen To Relive Old Times At Pontiac Reunion

Bloomington, Ill., Jan. 12—(P)—Remember the old time threshing machines, with the big crew of neighborhood farmers who went from farm to farm to thresh the wheat and then the oats?

And the crews of "pitchers" who pitched the shocks onto the rack wagons? And the "catchers" who caught the bundles, arranged them on the racks and later tossed them into the threshing machine separator? And the big blower which blew the straw out into a big stack? And the water boy who drove a buggy around serving water in a big jug? And best of all, those big threshing dinners?

Modern farm kids don't know much about all this. But a group of 16 old time threshmen of Central Illinois is taking steps to see that they do.

The threshermen met here last Saturday and formed a permanent organization, "Zehr's central states steam engineers and threshermen's historical association." Dan S. Zehr of Pontiac is president and Charles B. Bennett of Bloomington secretary.

**To Repeat Reunion**  
The group voted to repeat the big threshermen's reunion and show of old time equipment that attracted a crowd of about 4,000 at its first appearance at nearby Pontiac last September. Pontiac businessmen will cooperate.

Prof. Clyde Hudelson of Illinois State Normal University will head

## Scott Residents In Primary Race For County Posts

Winchester—The biennial political pot is simmering in Scott county and present indications point to at least one primary fight. The final date for filing nominating petitions with County Clerk Bert Willis is Monday, Jan. 23.

Petitions are out for two Democrats who seek the nomination for county clerk. They are Moxie Cruse of Bluffs and (Little) George Cowhick of Winchester.

Henry Likes of the Oxville neighborhood is a candidate for sheriff on the Democratic ticket.

Other Democratic aspirants include Frank Hubbard of near Bluffs, veteran county commissioner who is running for reelection; Everett Hester of near Glasgow for treasurer, and Miss Hester Korty of Merritt, candidate for reelection as county superintendent of schools.

Byron E. Koch, who was named county judge Tuesday, is expected to be a candidate on the Democratic ticket for that post.

George Leitz, deputy under Sheriff Randall Killebrew, is a Republican candidate for sheriff. County Clerk Willis, completing his fifth term, will seek reelection. Don W. Dugan of Winchester is making the race for treasurer.

At the present time there are no reported aspirants for county judge or superintendent of schools, but friends are urging Mrs. Frank Redshaw, Winchester grade school teacher, to make the race for the latter office.

## Trustee Proposes Television Station On U. Of I. Campus

Chicago, Jan. 12—(P)—A University of Illinois trustee proposed today building a \$500,000 television station on the Urbana-Champaign campus "to tell the story of the university on television."

Park Livingston of Chicago made the proposal at the trustee's January meeting in the LaSalle hotel. No action was taken on it.

Livingston suggested that the transmitter could be located on the Urbana-Champaign campus with relay towers at Chicago, Gilman, Kankakee, Bloomington, Peoria, Galesburg, Effingham, Rock Island, Rockford and Waukegan.

Kenney E. Williamson of Peoria, president of the board, described the plan as a "good one for the future."

The board at another point in the session approved emergency purchases of coal intended to avoid a coal shortage on any of its campuses. Williamson said the university now is "fairly well supplied" with coal with an estimated 35-40 day stock on hand.

The board's principal faculty appointment was Dr. Royden Dangerfield, director of studies at the National War College, Washington, D.C., to the post of director of the Institute of government and public affairs. Dr. Dangerfield on leave of absence from the University of Wisconsin, will replace Professor Charles M. Kneier, who has been acting head of the institute.

## Dr. George Cruft Of Virginia Weds Ruthmarie Hegarty

Virginia—The Christmas decorations of St. Ann's church provided the setting for the wedding of Miss Ruthmarie Hegarty, daughter of Mr. and Mrs. Charles Hegarty of Effingham, Kans., and Dr. George E. Cruft of this city. Father Patrick O'Shea read the double ring ceremony at 11 a.m. Tuesday, Dec. 27.

The bride was attired in heavy ivory satin with a fitted bodice and an illusion veil; she carried white roses. Her sister, Mrs. Roger L. Rice of St. Louis, as matron of honor wore lavender taffeta with a lace cape and held a bouquet of assorted flowers. The costumes of the bridesmaids, Misses Kathleen and Cecilia Hegarty, also sisters of the bride, were of lime and aqua taffeta, fashioned like the matron of honor's gown.

The bride's mother wore violet crepe with a gardenia corsage. Dr. Cruft's mother chose purple wool with gardenias.

William Yapple of this city served as best man.

Miss Lenora Sauer, church organist, played wedding music and accompanied the choir in "On This Day," "Beautiful Mother" and "Ave Maria."

Servers were Gene Hegarty and Clair Kuckelman; ushers, Richard Hegarty and Roger Rice, brother and brother-in-law of the bride.

The former Miss Hegarty is a graduate of AACHS and Bakersfield College, Bakersfield, Calif., and a member of the Lance and Shield sorority. She is a government secretary in the radiological defense office in New Orleans.

Dr. Cruft graduated from the local high school and the school of medicine at the University of Illinois. He belongs to the Phi Beta Psi fraternity. At present he is a lieutenant in the Navy Medical Corps, stationed at New Orleans.

A reception followed the ceremony, with Mrs. Clarence Hegarty of Effingham and Mrs. V. M. Hatten-dorff assisting. The couple went to Chicago on their wedding trip, after which they will reside in New Orleans.

Those attending the wedding from this city were Mr. and Mrs. Max Cruft, Mrs. I. S. Yapple, Miss Mary K. Sudbrink and William Yapple.

## Training Plane Crashes In Long Beach; Two Killed

Long Beach, Calif., Jan. 12—(P)—An air force training plane crashed and burned in a residential street here tonight. Two of its five occupants were killed and three others were injured.

At the Long Beach navy hospital, where the three survivors were taken, an officer said the extent of their injuries had not been determined but that they were able to walk into the building.

The T-11, twin engine Beechcraft plane, clipped the top of a residence and struck two automobiles as it came down at Thirty-Sixth street and Lemon avenue, about a mile from the Long Beach municipal airport.

Police said so far as they knew, no one was in either car.

Lt. Richard L. Sweeney of the air force reserve said he and Lt. Bernice Jew, flying another plane, were called by the airport and circled the scene immediately after the crash. He said the midsection of the plane, containing the cockpit, burst into flames when the plane crashed.

## Cass Girl Scouts Plan Comic Drive

Arenzville—A Girl Scout meeting was held Jan. 9 at the home of the leader, Mrs. Joe Hobrock, and it was decided to hold a comic drive for Donald Eotly, who is ill.

**U.S. Turns Out 1st Batch Of Veteran Insurance Checks**

Washington, Jan. 12—(P)—The treasury department turned out its first batch of World War II veterans insurance dividend checks today.

The Veterans Administration said, however, that none of them will be mailed until next Monday.

On that date, the two agencies plan to start turning out an average of 200,000 checks a day, 1,000,000 a week, in payment of the \$2,800,000,000 dividend to 16,000,000 veterans.

A VA spokesman said the checks sent through the treasury's check writing unit this week are being dispatched in bundles to post offices throughout the country. The bundles will be opened Monday for distribution of the checks through the mails to the veterans, he said.

The checks range in size from 90 cents to \$528, with the average about \$125. Payments are to be largely completed by June 30.

**New Construction At Our Saviour's To Promote Safety**

The administration of Our Saviour's hospital Thursday asked the indulgence of patients and visitor for the inconvenience to them occasioned by the remodeling of the building which has been recommended by the Illinois Department of Public Safety.

At the present time the center stairwell is closed off to lesson the noise and disorder of rehabilitating the old stairway.

The enclosure of the west stairway to provide a smoke screen or all five floors has been completed. The modern windows and the swinging doors will be finished with the new fireproof paint as soon as it can be delivered.

The east stairway is to be replaced by concrete and steel steps in anticipation of an addition to the east end of the hospital building proper. Outside dust and clothes chutes are to replace the inside ones.

Plans for carrying out orders originating in the office of State Fire Marshall Patrick Kelly have been developed through the close cooperation of Fire Chief Charles Loneragan and hospital engineers, Ira Eaton and William J. Craddock.

The next step in the development of safety measures at Our Saviour's hospital will be the installation of a sprinkling system.

Fire inspections center in the hourly rounds of the nightwatchman.

Last fall Chief Loneragan assisted the school of nursing in the preparation of first year student nurses as inspectors, according to a plan suggested by the American Hospital association.

## PMA Committees To Meet Friday At Winchester

Winchester—Community PMA committees will meet at the AAA headquarters in the Legion building Friday for an all-day meeting. Acreage allotments and the work connected with them will be discussed and a group of recommended soil building and conservation practices will be adopted for 1950.

John C. Moore will be in charge of the meeting, which will begin at 10 a.m.

**Heads Farm Bureau**  
Arthur Likes, well known Scott county hog breeder, was elected president of the Scott county Farm Bureau at an organization meeting held at the Farm Bureau Thursday.

Vice president last year, Likes succeeds R. S. Thompson, who served as president for the past five years. The board voted a resolution of thanks to Mr. Thompson "for his untiring devotion during the years."

Allen Dolen was named vice president; Russel Norman was elected secretary and Fred Korty was chosen secretary.

**Clover Seed Stolen**  
Randall Killebrew, sheriff of Scott county, Thursday investigated the theft of 20-25 bushels of red clover seed from a steel bin on the farm operated by O. E. Freeman of Jacksonville, situated about two miles west of Bluffs on the Naples road.

The theft evidently took place either Tuesday or Wednesday night. The hamp of the padlock had been severed by a hack saw.

Seven new grain sacks held most of the stolen seed; the balance was used in Critic feed bags.

The loss was set at more than \$600.

**Addresses Pupils**  
Ray Pierce, technician for the Scott county Soil Conservation district, and his aide, John Pierce, spoke to the fifth, sixth and seventh grade students Thursday morning at the Winchester grade school.

The classes had been studying soil conservation, needs and techniques for several weeks under the direction of their teachers, Mrs. Frank Redshaw and Mrs. Randall Killebrew.

"The kids were about six jumps ahead of me all the time," Pierce said after the meeting. "I was amazed, and mighty pleased, to find them so interested and well-informed on the subject of soil conservation."

Mr. Pierce hopes to form a conservation club for the benefit of the local schools. Contest winners would receive educational camping trips to the Lake Villa experimental plots each summer.

### KITCHEN TRICK

CRUSTS INTO CROUTONS—when making party sandwiches, spread filling to the very edge, then cut off crusts. Toasted crust strips make delicious croutons for soups and salads.

### HOUSEHOLD HINT

MAKING A BLOUSE for your young daughter? Make it long enough to serve as a slip, too. Blouse can't pull out no matter how active she gets.

### RECIPE

#### BAKED SHRIMP

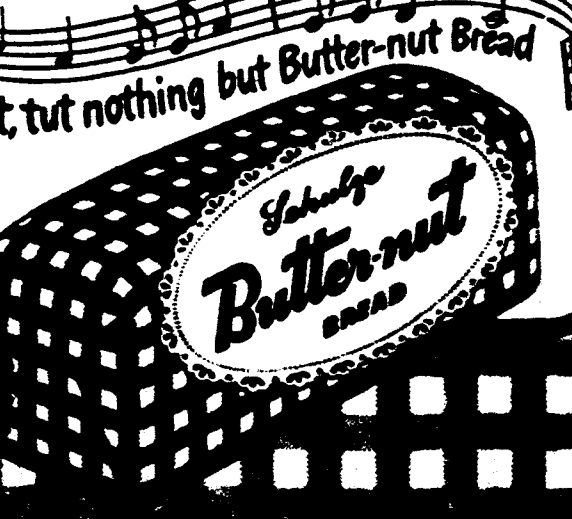

2 Tbsp. butter or margarine  
2 Tbsp. flour  
salt, pepper to taste  
1 1/2 c. light cream  
1 tsp. Worcestershire sauce  
2 hard cooked egg yolks, sieved  
1 Tbsp. chopped parsley  
1 c. bread crumbs  
1 lb. cooked shrimp, cut in large pieces

Melt butter, stir in flour, salt, pepper; cook 5 minutes. Add cream, cook 5 minutes more. Add parsley, egg yolks, 1/2 c. bread crumbs and shrimp. Place in greased casserole, sprinkle top with remaining bread crumbs and dot with butter or margarine. Bake in moderate oven (325°) about 20 minutes or until crumbs brown. Serve 4.

# IT'S HARD TO BELIEVE! BUT IT'S TRUE! IT'S ANOTHER TIDE MIRACLE!

## A DAZZLING CLEAN WASH WITHOUT RINSING!

### "NO MORE RINSING FOR ME!"

says Mrs. Elizabeth Davis of PORTSMOUTH, OHIO

"I didn't believe Tide could do it... till I tried it! But it's true! I took the clothes right out of those wonderful Tide suds and put them through the wringer and onto the line. And, believe me, they looked so bright and clean—I was proud to hang them up!"

## TIDE cuts washday work in half! No more rinsing! Just wash... wring out... hang up!

YES, another Tide miracle has been discovered—and it's the washday news of the mid-century! With Tide in your washing machine—you can take your clothes right out of the suds... put them through the wringer and hang them on the line dazzling clean! *Without rinsing!* Hard to believe? Yes, but when you use Procter & Gamble's Tide, it's a fact—and women all over America are proving it today.

HERE'S WHY! Tide, with its miracle suds, gets the dirt out of your clothes and keeps it suspended in the sudsy water. When you wring out the clothes, the dirt runs out with the washwater... and the clothes come from the wringer white... fresh... CLEAN!

YES, CLEAN! You all know how clean Tide has always washed your clothes *with rinsing*. Actually cleaner than any other washing product you can buy. Now we'd like you to try Tide without rinsing and compare the results. It's simply unbelievable how bright, fresh and clean you can get your wash with Tide, *without rinsing*. And think of the time and work you save! So try Tide without rinsing! If you do, you'll never use anything but Tide again!

No other washing product  
known can match TIDE  
for getting out dirt  
and soap film, too

"I took my wash out of the Tide suds—wring it out—and hung it up CLEAN! I'll never rinse again!"

says Mrs. M. Hayes  
OF WEAHAWKEN,  
NEW JERSEY

"Tide now make possible an amazing new kind of washday—quick and easy, almost beyond belief. Just think of all the time I'm going to save... without rinsing! And think of the wear and tear it saves on my clothes as well as on me! Thank you, Tide, for the biggest washday miracle of all!"

"My clothes dried so soft and fluffy—ironed so easily—without rinsing at all!"

says Margaret Lockwood  
OF INDIANAPOLIS, IND.

"Talk about miracles! I take my clothes out of Tide's wonder suds, wring them out, and the dirt runs right out with the washwater just as they say it does! And what a beautiful wash... fresh, clean, and sweet-smelling *without rinsing at all!* It dries soft, fluffy, easy to iron. From now on, it's Tide—and only Tide—for me!"

FOR THE WORLD'S EASIEST WASHDAY...  
TRY TIDE WITHOUT RINSING!

## Orleans Woman's Club Entertained

The Orleans Woman's Country club was entertained Tuesday afternoon at the home of Mrs. Nelle Stevenson. The meeting was presided over by the president, Mrs. Marie Mattson.

Mrs. Esther Clemmons gave a paper on "Building Citizens for Tomorrow," stressing "Faith in the Master." A report on federation projects, including cancer research, Indian welfare, Park Ridge School for Girls, Penny art fund, Trail Rangers, district students loan fund, occupational therapy scholarships, veterans service loan fund and Egyptian music camp, was given by Mrs. Grace Davenport.

During the social hour, refresh-

ments were served. One guest, Mrs. Richard Cox, was present.

The next meeting will be held Jan. 24 at the home of Mrs. Freda Heaton, with a potluck luncheon at noon.

## ROODHOUSE

Roodhouse — Freddie Joe Whitworth, eight year old son of Mr. and Mrs. John Whitworth, sustained a severe knee injury Saturday while playing on a junk pile near his home. Dr. F. Earl Walker was called, and it was found necessary to take six stitches to close the wound.

Mr. and Mrs. Kenneth Hembrough and children, Gary Don and Janet, and Mrs. Henry Dawdy and children, Peggy, Jim and Jack, visited Mrs. Dawdy's husband at the Missouri Pacific hospital Sunday.

Mrs. Hal Worcester has returned home from Passavant hospital, Jacksonville, where she has been a surgical patient.

## MEREDOSIA

Meredosia — Mr. and Mrs. Glen Hobbs, Mr. and Mrs. John Norrup, Mr. and Mrs. Alpha Ommen and Mr. and Mrs. Hulet were among those from Meredosia attending the basketball game between Arenzville, and Chambersburg, played in Chambersburg Monday evening.

Mr. and Mrs. Carl Hobbs and Mr. and Mrs. James Major attended the funeral of Clarence Downey at the Christian church in Chambersburg on Monday afternoon.

John Norrup was a business visitor in Beardstown Tuesday afternoon.

## HALF-CENTURY HIGHLIGHTS

WONDER HORSES of the century are Dan Patch (bottom), mighty pacer of the early 1900's, and Man o' War, 1919-1920, one of the greatest thoroughbred runners of all time. In all his career, Dan Patch lost only two heats. Man o' War was beaten but once in 21 starts. Dan Patch's record of 1:55 1/4, set in 1905, stood for 33 years. Man o' War, a "Cinderella horse" bought as a yearling for \$5000, won \$249,465 in his two years of racing. But it was his great performances that made history. Not entered in the Kentucky Derby, he defeated Sir Barton, the Derby winner, with ridiculous ease in a \$100,000 match race. He's pictured setting a world record of 1:34 4-5 for the mile, defeating Wildair in the 1920 Withers at Belmont Park.

## PRENTICE CLUB PLANS FOX DRIVE JAN. 22

A fox and wolf hunt sponsored by the Prentice Community club will be held Sunday, Jan. 22. The first drive will begin at 9 a.m. The women of the club will serve a lunch at the Yatesville school house. Shotguns only will be permitted and the bounty money will go into the club treasury.

Mrs. Fern Welsh was hostess to the Exeter W.S.C.S. at her home here Friday afternoon, where she and Pearl Korty, assistant hostess, served hot beef sandwiches, cookies, candy and coffee after the business meeting. Mrs. Fritz Rolf was a guest.

Mrs. Lola Funk visited at the home of her daughter in Springfield from Thursday until Saturday.

Mr. and Mrs. Kenneth Meyer held a turkey supper Sunday for Mr. and Mrs. John Clark and children, Susie and Bobby, Rev. and Mrs. A. E. Slottag and children, Ernest, Judy, Mark and Marsha, and Pearl Korty.

Mrs. Lola Funk received a telephone call from her son, Ray, in Cairo, Egypt, on Saturday morning. He was spending a few days there.

Mr. and Mrs. Don Meyer and daughter, Shirley, were callers Sunday afternoon at the home of Mr. and Mrs. Kenneth Meyer.

## FRANKLIN

The Franklin P.T.A. will hold an amateur talent show at the high school Tuesday, Jan. 24, at 7:30 p.m. Everyone interested is invited to take part and should see Mrs. Wayne Rolston at the high school by Tuesday, Jan. 17. The proceeds of the show will go to the school band fund.

The Woman's Society of Christian Service met at the Methodist church Wednesday afternoon. The program leader was Mrs. Justin Washburn. Hostesses were Mrs. Alice Erhart, Mrs. J. A. Williamson and Mrs. Gus Seymour.

J. O. Rolston has been ill this week with the flu.

# I Love My Doctor

By Evelyn Barkins

XXVIII

AFTER six months of marriage, I felt as supercilious about ordinary diseases as an ermine wrap next to a skunk jacket in a department store elevator. "Just a hangover from too much excitement," I told myself after my mother left with her dire forebodings; "of course I won't tell John."

But John, when he came home in a little while, didn't need telling.

"Still angry, dear?" he asked. When it came to interpreting my emotions, John could sometimes be as deft as a bank clerk trying to diagnose stomach ulcers.

"Of course not," I said with needless temper.

"Then you don't feel well," he said, a little more definitely. "Let me examine you."

"That's not necessary," I stoically refused. "I'm probably tired from all that burglar scare last night. A good night's sleep will fix me up fine, you'll see."

The next morning I couldn't get up at all.

"I'm going to examine you whether you like it or not," said John.

"Let me alone," I yelled. "There's nothing the matter with me. I've got to go to school."

"You're feverish," he retorted furiously.

"And you're just making a fuss like always. Remember last time?" It was, perhaps unfair to refer to last time, for certainly John remembered it only too well. We were out driving two weeks before, after a tremendous dinner at a near-by restaurant, when suddenly John got a pain. Now any pain, from a shaving scratch to a common beetle, makes a man act as if he were undergoing a hot-iron leg amputation without anesthesia. He groans, he moans, he writhes, like a patient at the Walling Wall, and practically argues his epitaph with his life insurance beneficiaries.

"There are cases on record," he told me, "where coronaries were reported as early as 24 and 26."

All my married life, I have cursed the literature with its dangerous rules and exceptions!

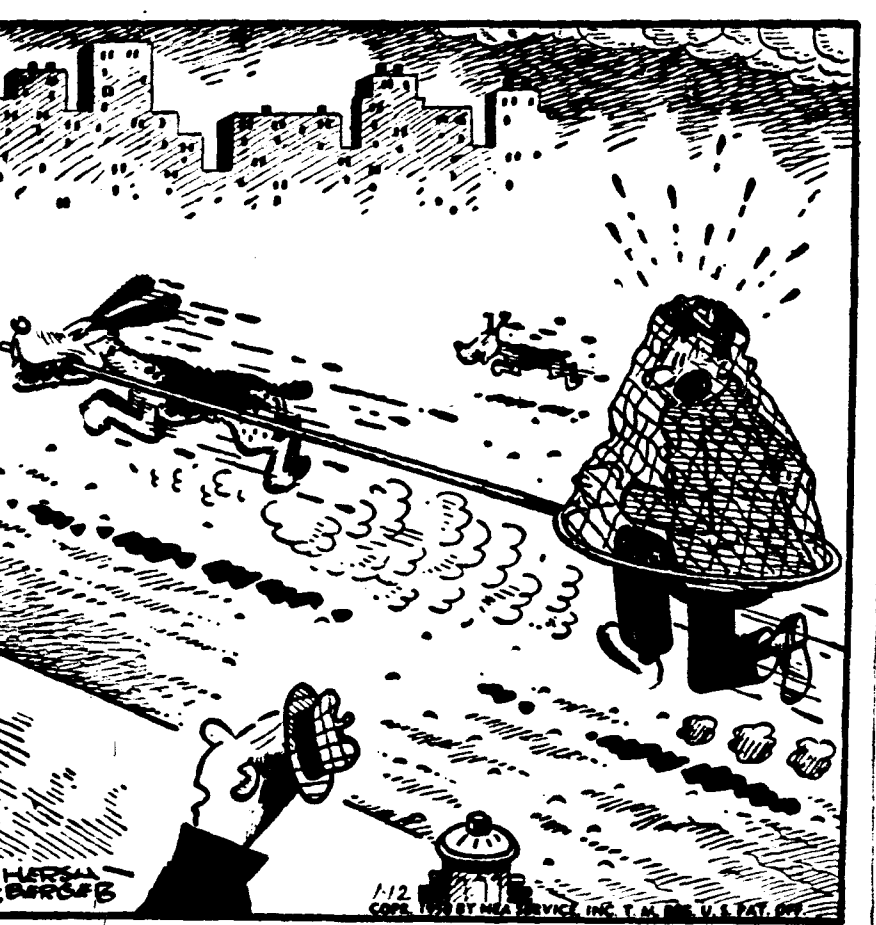

"Very well," I said finally, since there was no disputing the Board of Internal Medicine. "Let's go home. Can you drive?"

"I'd rather not take a chance on driving," John said. "You'd better phone Bob at the hospital and tell him. He'll know what to do."

"All right," I got out of the car, and, at his request, helped him into the rear where he solemnly
